

The **SSE Renewables Scholarship** is a third level scholarship programme funded by the SSE Renewables Regional Fund for Slieve Kirk Wind Park, Tievenameenta Wind Farm, owned and operated by SSE Renewables, as well as the Greencoat Renewables owned Slieve Divena II Wind Farm. SSE Renewables is responsible for operating the Regional Fund and Scholarship for all three wind farms.

Applications for this year's Scholarship are now open and will close on Friday 25th October 2024. To apply for The SSE Renewables Scholarship, please complete this application form. Further information including FAQs can be found on our website at www.sserenewables.com/scholarshipfunds

Scholarship Fund Eligibility

To be considered for The SSE Renewables Scholarship (funded by the Slieve Kirk Wind Park, Tievenameenta and Slieve Divena II Wind Farm Regional Fund) applicants must:

- Hold a registered place on the first year of one of the programmes of study as listed in Appendix A for entry into the academic year 2024/25 at Ulster University, North West Regional College, or South West College.
- Have a home address in Co.Tyrone, Co. Derry-Londonderry, Co. Fermanagh or Co. Donegal.
- Full Time and Part Time courses are eligible.

Scholarship Fund Criteria

When completing the application form, applicants must:

- Demonstrate excellence in their academic careers to date.
- Demonstrate the potential impact of obtaining a Scholarship on their academic careers at the University/College.
- Demonstrate their professional aspirations and how their studies will help them to achieve these.
- Submit a reference in support of your application. Please note original documents cannot be returned, so please save a personal copy.

Important to note:

- Although applicants are invited from any home address in Counties, Tyrone, Derry-Londonderry, Fermanagh and Donegal priority consideration will be given to applicants who are able to provide evidence of a home address within a 12 mile radius of Slieve Kirk Wind Park, Tievenameenta Wind Farm and Slieve Divena II Wind Farm.
- The information that you provide in Section Two of this application form is important to the Scholarship Selection Panel, so please include as much information as possible i.e. academic achievements/ results, potential impact of the Scholarship on your studies, and future career aspirations.
- In the event that the applications of multiple candidates for a Scholarship are of the same standard, weighting will be given to applicants who are able to demonstrate financial need. Eligibility will be determined by Ulster University, South West College or North West Regional College.
- You must allow adequate time for posting the application form to the University or College to ensure that it arrives before the deadline, otherwise it will not be considered. The closing date for receipt of completed applications by registered post, with supporting evidence, is Friday 25th October 2024.
- You will be informed of the outcome (successful or unsuccessful) of your application however, due to the high volume of anticipated applications, feedback will not be given.
